Emilhar

1980 Sunseeker 23 Sport which has been significantly renewed and upgraded. In 2006 the boat was refitted with new bulkheads, floors, stringers and transom. The fuel tank was moved forward and 4 watertight compartments were created in the cockpit floor. At the same time she was completely rewired and had new Teleflex and steering linkages and the helm seats were replaced. In 2014 further work was undertaken to update the Chartplotter, GPS,

VHF, synthetic teak flooring was laid in the cockpit and on the engine cover. In addition new cloth upholstery was fitted in the newly refitted fwd cuddy cabin. The cockpit helm, bench seating and bathing pads for the stern engine cover were renewed with marine grade vinyl. Powered by Volvo Penta 5.0L V8 235 (1996).
