Collingwood

This is a very attractive Nelson which has been superbly looked after and is as pretty as a picture.

Originally built for the navy, Collingwood is a very seaworthy boat, powered by a Perkins 6354 90hp diesel engine regularly serviced by her experienced owner. The bow thruster makes her very easy to put alongside. Raymarine gps plotter, VHF radio. helm to the port side. Two V berths in the forward cabin, Separate sea toilet. Cooker and sink are at the aft end of the spacious extended wheelhouse. The aft cockpit is a very good size and benefits from a recent complete canopy.

If you are looking for a solid, well maintained sea boat then this one is worth a look.
