- 3.1 The Company shall not be liable for any loss or damage caused by any event or circumstance beyond its reasonable control (such as extreme weather conditions, the actions of third parties not employed by it or any defect in any part of an Owner's or third party's vessel); this extends to loss or damage to Vessels, gear, equipment, cars or other goods left with it for repair or storage, and harm to persons entering the Premises or the Harbour and/or using any facilities or equipment.
- 3.2 The Company shall take all reasonable steps to maintain security at the Premises and to maintain the facilities at the Premises and in the Harbour in reasonably good working order. Subject to this, and in the absence of negligence or breach of duty on the part of the Company, Vessels, gear, equipment or other goods are left at the Owner's own risk and Owners should ensure that they have appropriate fully comprehensive insurance against all usual risks.
- 3.3 The Company shall not be under any duty to salvage or preserve an Owner's Vessel or other property from the consequences of any defect in the Vessel or property concerned unless it shall have been expressly engaged to do so by the Owner on commercial terms. Similarly, the Company shall not be under any duty to salvage or preserve an Owner's Vessel or other property from the consequences of an accident for which the Company is not responsible. However, the Company reserves the right to do in any appropriate circumstances, particularly where a risk is posed to the safety of people, property or the environment. Where it does so it shall be entitled to charge the Owner concerned on normal commercial charging basis (and where appropriate, to claim a salvage reward). The Owner must ensure they hold Fully Comprehensive Insurance which includes salvage of their Vessel.
- 3.4 Owners may themselves be liable for any loss or damage caused by them, their crew/passengers or their Vessels and they shall be obliged unless expressly agreed in writing with the Marina Manager, to maintain adequate fully comprehensive insurance including third party liability cover for the full market value of the Vessel, its gear and equipment and for not less than £3,000,000 and where appropriate, Employer's liability cover (in accordance with current legal requirements) to at least the statutory minimum. Such insurance shall be affected with reputable insurers and the Owner shall be obliged to produce evidence of such insurance within 7 days of being requested to do so by the Company.

4 CHANGE OF DETAILS:

The Owners must notify the Company in writing of the details of any change of name of the Vessel or change of address or email and/telephone number(s) of the Owner.

5 BERTH ALLOCATION:

The physical layout of every Harbour and Premises and the varying needs and obligations of the Company and its customers requires that

the Company retains absolute control of Berth allocation within the Harbour and Premises. Accordingly, the Owner shall not be entitled to the exclusive use of any particular Berth but shall use such Berth as is from time to time allocated to him by the Company.

6 MAINTENANCE

From time to time it will be necessary for the marina infrastructure to be maintained in good order. This may include dredging or pontoon repairs for example. We will seek to minimise any impact this has on you and your vessel wherever possible. However, there may be times where you are required to move your boat to facilitate such works. We will provide you with reasonable notice of any works necessary but the moving of your boat will be at the sole discretion of the marina manager. You will not be entitled to any compensation where maintenance is required.

7 PERSONAL NATURE OF AGREEMENT:

7.1 This Agreement is personal to the Owner and relates to the Vessel described on the front page of this Agreement. It may not be transferred or assigned to a new Owner or to a different Vessel, whether temporarily or permanently, without the express written consent of the Company.

7.2 Within 7 days of any agreement for the sale, transfer or mortgage of a Vessel subject to this Agreement the Owner shall notify the Company in writing of the name, address and telephone numbers of the Purchaser, Transferee or Mortgagee, as the case may be.

7.3 In the event that the Owner sells/transfers the ownership of the Vessel during the term of this Agreement, whereby the new owner wishes to berth the Vessel at the Harbour, the Company will not unreasonably refuse a new owner a berthing contract on terms to be agreed with the new Owner, subject to all accounts being settled in relation to the Vessel up to the date of transfer.

8 USE OF BERTH BY COMPANY WHEN VACANT:

The Company reserves the right to use the Berth when it is left vacant by the Owner. If Owner's remove vessels from the Harbour or take them away for an extended period of time the Company must be notified in advance.

9 TERMINATION:

9.1 The Company shall have the right (without prejudice to any other rights it may have in common law) to terminate this Agreement in the following manner in the event of any breach by the Owner.

9.2 In the event of any breach of this Agreement by the Owner, the Company may serve notice on the Owner specifying the breach and requiring him to remedy the breach within 14 days of the date of the notice. In the event of any serious or persistent breach or such breach poses an immediate risk or threat to the health, safety and welfare of any person or property the time specified for remedy may be immediate or extremely short. If the Owner fails to affect the remedy within that time, or if the breach is not capable of remedy, the Company may serve notice on the Owner terminating this Agreement and requiring him to remove the Vessel from the Harbour or Premises immediately.

9.3 If the Owner fails to remove the Vessel on termination of this Agreement whether under this clause or otherwise, the Company shall be entitled:

9.3.1 to charge the Owner at the Company's 24-hour rate for overnight visitors for each day between termination of this Agreement and the actual date of removal of the Vessel from the Harbour and Premises; and/or

9.3.2 at the Owner's risk (save in respect of loss or damage caused by the Company's negligence or other breach of duty during such removal) to remove the Vessel from the Harbour and Premises and thereupon secure it elsewhere and charge the Owner with all costs reasonably arising out of such removal including alternative berth fees.

9.4 Any notice of termination under this Agreement shall, in the case of the Owner, be served personally on the Owner or sent by registered post or recorded delivery service to the Owner's last known address and in

the case of the Company shall be served at its principal place of business or registered office.

9.5 The Company has the right to terminate this Agreement, by giving written notice to the Owner, if at any time the Harbour or Marina Premises shall be so damaged, impeded, or interfered with by force majeure (as defined below) as to render it unlikely that the Company will be able to continue to provide a berth in accordance with this Agreement. For the purposes of this condition, force majeure means any event or circumstances (whether arising from natural causes, human agency or otherwise) beyond the Company's reasonable control including (but not limited to) weather conditions, riots, civil commotion, fire or war. Owners should ensure their own insurance policy covers this risk.

9.6 All amounts due by the Owner under this Agreement shall be paid in full without any set-off, counterclaim, deduction or withholding.

10 RIGHT OF SALE AND OF DETENTION:

10.1 Where the Company accepts a Vessel, gear, equipment or other goods for berthing, repair, or storage the Company does so subject to the provision of the Torts (Inference with Goods) Act 1977 (the Act). This Act confers a right of sale on the Company in circumstances where an Owner fails pay monies due or fails to collect or accept re-delivery of the goods (which includes a Vessel and/or any other property). The Vessel and/or other property shall be sold by the best method of sale reasonably available in the circumstances. The proceeds of the sale after payment of the said money due and the expenses of the sale shall be paid to the Owner of the Vessel and/or other property. Such sale will not take place until the Company has given notice to the customer in accordance with the Act.

10.2 Advice regarding the Act may be obtained from the Citizens Advice Bureau, Law Centre or any firm of solicitors.

10.3 Maritime Law entitles the Company in certain other circumstances to bring an action against a Vessel to recover debt or damages, such action may involve the arrest of the Vessel through the Courts and its eventual sale by the Court. Sale of a Vessel may also occur through the ordinary enforcement of a judgement debt against the Owner of a Vessel or other property.

10.4 Notwithstanding the above, the Company reserves a general possessory lien (i.e. the right to take possession of and prevent the Owner from gaining access to, using or moving a Vessel and/or other property), to detain and hold onto the Owner's Vessel or other property pending payment by the Owner of any sums due to the Company. If this Agreement is terminated or expires while the Company is exercising this right of detention it shall be entitled to charge the Owner at the Company's 24 hour rate for overnight visitors for each day between termination or expiry of this Agreement and the actual date of payment (or provision of security) by the Owner and removal of the Vessel from the Harbour or Premises. The Owner shall at any time be entitled to remove the Vessel or other property upon providing proper security, for example a letter of guarantee from a Bank or a cash deposit, sufficient to cover the debt with interest and, where the debt is contested, a reasonable provision for the Company's prospective legal costs.
